# Hounds for Heroes

Hounds For Heroes started out as the dream of one man. Allen Parton a Royal Navy Veteran of the first Gulf War suffered severe physical and mental trauma whilst on duty. The arrival of an assistance dog by the name of Endal transformed his life and that of his family.

The charity's purpose is to provide specially trained assistance dogs to injured and disabled men and women of both the UK Armed forces and Civilian Emergency Services. Through this provision the charity hopes to give it's clients an enhanced quality of life in line with their expectations. The charity will also be able to provide help and practical support to help them achieve this.

To support Hounds for Heroes during our 2023 Season, we will be running fun competitions over the year to raise money and have collection boxes in the entries office, cafe, and around the venue.

A portion of the entries from our Championship shows in October will also be donated to Hounds for Heroes, and all proceeds from our auction at our awards evening will go to the charity.

Please help us support Hounds for Heroes throughout the season by donating, taking part in competitions and spreading the word.
